

# 2012 Alliance Board Chair/CEO Institute

March 10-11, Tampa, Fla. • July 14-15, Chicago

## *Enhancing Relationships between CEOs and Their Board Chairs*

The Board Chair/CEO Institute is designed to build collaborative relationships between Alliance for Children and Families member CEOs and their board chairs.

### Participation is limited to 10 board chair/CEO pairs.

The institute is a valuable opportunity for executives to work one-on-one with their board chairs in a focused, small-group

setting. During the institute, pairs define their organization's key strategic issues and specific needs, while simultaneously learning from successes and challenges of other organizations.

Attendees of previous institutes have found that this growth opportunity leads to a more cohesive and collaborative relationship between the board chair and CEO, which ultimately benefits the organization's entire staff and board of directors.
